CONTRACTS

PROCUREMENT

Full job description

Your new company

This is a large central department that oversees policy and strategic planning. It is located North-side and provides a friendly environment where you can further develop your skills.

Your new role

This role will be based in the contract and aid management division working largely on preparation of approaches to market and drafting contracts for procurement needs.

What you'll need to succeed

To be considered for this role you must demonstrate the following:

- experience working to meet deadlines to ensure project objectives
- well developed planning and project management skills
- organisational skills with a focus on being able to manage competing priorities
- sound judgment and a high degree of initiative

What you'll get in return

In this role you will work as part of a small team to ensure consistency and quality of decision making nationally and globally. This role is a great transfer opportunity for someone wanting a change from their current department.

What you need to do now
