Full job description

Your new company

Our client is a well established company based in the North-East suburbs of Perth with contracts for maintenance across the metro area at domestic and commercial facilities. They have a tight-knit team and are looking to add a skilled trades person on a temporary casual basis. The assignment length is for 3+ months with potential for permanency. The job will be Monday-Friday at 38 hours per week with opportunity for overtime.

Your new role

The role will be a mixture of being based at the workshop in North-East Perth and on road work. The role includes servicing a variety of clients in terms of planned and preventative maintenance, installation and some Solar work at domestic and some commercial facilities. This Role is suitable for a dual tradesperson or an electrician with refrigeration experience.

What you'll need to succeed

- WA A Grade/Unrestricted Electrical License
- Refrigerant Handling License(can be split)
- Solar Accreditation
- Data Cabling
- Telephone Cabling

What you'll get in return

- Weekly pay cycle
- Company Vehicle
- Overtime allowance
- Phone allowance and iPad provided
