Full job description

Your new company

This company are an international bank based in Sydney CBD offering excellent career progression and a competitive package.

Your new role

As a Credit Risk Analyst your responsibilities will include:

- Review credit proposals completed by corporate banking department
- Function as the "first line of defence" by providing credit risk recommendations or comments on credit proposal
- Liaise with other senior management in the team to clarify and gain in-depth understanding of proposals and their inherent risks
- Monitoring the post approval periodic monitoring report
- Working on ad hoc projects to improve bank credit policy and quality
- Help to measure and structure local and cross border business solutions for clients
- Provide periodic credit risk policy training to other relevant department

What you'll need to succeed

You will have a credit risk background preferably in corporate banking or financial services, a strong working knowledge of VBA and Macros with Excel. Mandarin speaking is preferred.
